Public Information Line: 844-668-3473

Release Date: September 17, 2020

Time: 2:00 PM

## CREEK FIRE REPOPULATION

**WHAT:** Evacuation Orders Reduced to Warning on the Creek Fire

**DATE/TIME:** September 17, 2020 at 2:00 P.M.

**WHERE:** Areas of repopulation in the following Zones

**EVACUTATION ORDERS Reduced to WARNING and WARNINGS LIFTED**

### **Fresno County**

The Following **Evacuation Orders** are Reduced to **Evacuation Warning**:

**Zone F1A:** North of Lodge Road east of Highway 168 and east to the west side of Riverdale Road.

**Zone F5A:** South boundary lays north of Towelling Road. West boundary is the east side of Tollhouse Road between Towelling Road and Burrough Valley Road. The east perimeter extends just west of Nancy Road and Bonneyview Road.

### **Fresno County**

The Following **Evacuation Warnings** are **Lifted**:

**Zone F1B:** East of SJ & E Road (south of Ponderosa Market, 33246 Auberry Road), North of Lodge Road, and west of the intersection of Highway 168 and Qualls Prather Road.

**Zone F1C:** North of Lodge Road in between the east side of Auberry Road and the west side of SJ & E Road. Northern boundary includes both sides of Rockhill Lane as well as Old Creek Road.

**Zone F1D:** East side of Auberry Road, North of Rock Hill Lane. The west side of SJ & E Road is the eastern boundary north of Old Creek Road. The northern boundary is the intersection of Auberry Road and SJ & E Road.

**Zone F1E:** The western boundary is east of the houses located on the east side of Little Sandy Road. The southern boundary is Lodge Road at its intersection with Little

Sandy Road. The eastern boundary consists of the west side of Auberry Road. The northern boundary consists of the south side of Frazier Road.

**Zone F1F:** The west boundary is the San Joaquin River, in between the Power Station tunnel to the south and just south of Ya-Gub-Weh-Tuh Trailhead in the north. The south boundary consists of the northern side of Frazier Road. The east boundary consists of the west side of Auberry Road (in between the intersection of Auberry Road and Frazier Road to the south, and Stonehouse Tavern, 33071 Auberry Road) to the north. The northern boundary begins just north of the Red Hawk Ranch, 33477 Cottontail Lane.

**Zone F1G:** South boundary begins just north of Red Hawk Ranch, 33477 Cottontail Lane. Additionally, the southern boundary begins at Auberry Road just north of Stonehouse Tavern, 33071 Auberry Road. The east boundary consists of the west side of Powerhouse Road. The north boundary consists of the south side of Smalley Road. Lastly, the west boundary consists of the San Joaquin River.

**Zone F1H:** West boundary consists of the east side of Powerhouse Road. The north boundary is just north of Wish I Ah Road. The east boundary includes both sides of Comstock Lane.

**Zone F1I:** South boundary is the north side of Smalley Road. East boundary consists of the west side of Powerhouse Road until north of Wish I Ah Road, where both sides of Powerhouse Road are included. Both the north and west boundaries are the San Joaquin River.

**Zone F3M:** Area surrounding Little Sandy Road north west of the intersection of Highway 168 and Little Sandy Road. This zone begins north of Highway 168 and extends west towards the Wellbarn Trail and county line.

**Zone F3N:** Uninhabited land east of the San Joaquin River, contains the Wellbarn Road Trail and Big Table Mountain Ecological Reserve.

**Zone F3O:** Both sides of Wellbarn Avenue north of Hurley Avenue, south of the Wellbarn Gate (Trailhead), east to the roundabout in Prather.

## **Fresno County**

**Evacuation Order:** Movement of community members out of a defined area due to an immediate threat to life and property from an emergency incident. An Evacuation Order should be used when there is potential or actual threat to civilian life within 1 to 2 hours or when the IC deems it necessary to protect civilians.

**Evacuation Warning:** Alerting of community members in a defined area of a potential threat to life and property from an emergency incident. An Evacuation Warning may be issued when the potential or actual threat to civilian life is more than 2 hours away.

**Lifted:** No orders in effect.

**SAFETY MESSAGE:** Please use caution in these areas, and obey all traffic control signs. Fire crews and utility companies will be remaining in the area in effort to mitigate any remaining fire concerns, restore utilities, and bolster infrastructure.

The public is reminded to stay vigilant on current fire conditions. Please continue to adhere to road closures and evacuation orders or warnings. If you see electrical wires on the ground, stay clear and contact PG&E immediately. Power may be out when you return home. For those who may be utilizing backup generators, please review the generator use safety information at [https://www.pge.com/en\\_US/safety/electrical-safety/electric-generator-safety/electric-generator-safety.page?WT.pgeac=PSPS\\_FAQ-GeneratorSafety](https://www.pge.com/en_US/safety/electrical-safety/electric-generator-safety/electric-generator-safety.page?WT.pgeac=PSPS_FAQ-GeneratorSafety) Trees and poles with deep charring, particularly if still smoldering, should be considered hazardous.
