First Responder Fatalities: 0		First Responder Injuries: 0	
Civilian Fatalities: 0		Civilian Injuries: 2	
Structures Threatened: 5,897	Structures Destroyed: Undetermined	Structures Damaged: Undetermined	

CURRENT SITUATION

Situation Summary:	<p>Today, the fire continued to make runs in several steep drainages with the aid of the large amounts of dry vegetation. The fire’s most significant growth was in the northeast corner, south of Highway 50, although there was some growth in all divisions. The communities in proximity to the Caldor Fire experienced multiple evacuations yesterday due to the fast-moving fire. The Damage Assessment Team has begun evaluating areas.</p> <p>In response to the extreme fire behavior demonstrated by the Caldor Fire, and risks to public and firefighter safety, Forest Supervisor Jeff Marsolais has issued an emergency forest closure of all National Forest System lands, roads, and trails within the Eldorado National Forest. The forest-wide closure -- Forest Order No. 03-21-14 – was enacted on August 17, 2021, through September 30, 2021 to facilitate unimpeded ingress and egress for evacuations, emergency response, and property access. The closure will also limit the public's exposure to fire danger and impaired visibility due to smoke.</p>
