

FOUNDATION AND DISTRICT PARTNERSHIP

JCF Hospital Foundation Board Remains a separate nonprofit entity. Retains Foundation governance, fiduciary oversight, financial accounts, donor restrictions, investments, and philanthropic mission.

Executive Administrator Becomes a John C. Fremont Healthcare District employee with administrative and operational support to the Foundation as part of the staff role. Foundation-related work includes Board support, donor stewardship, fundraising administration, Foundation communications, and coordination of philanthropic initiatives.

John C. Fremont Healthcare District Employs the Foundation's Executive Administrator as full-time staff with Foundation support as a part of the role. Provides the healthcare priorities, operational context, leadership coordination, and implementation partnership needed to connect philanthropy with current and future District needs.
